

West Midlands North Foundation School

Individual Placement Description – The Dudley Group NHS Foundation Trust

Placement	FY2 - Clinical Radiology
The department	The main department is based at Russells Hall Hospital, but also has outpatient clinics at the Corbett and Guest Hospital Outpatient Centres. We have a large team consisting of Consultants, Registrars, Nurses, Radiographers and other Allied Health Professionals. We provide nearly all Radiology services including all diagnostic specialities, interventional radiology and nuclear medicine.
The type of work to expect and learning opportunities	Work will include ward work for Interventional Radiology patients which will include assessment and follow up on the ward. Occasional attendance at IR clinics. Sessions with Consultants and Registrars and informal bedside teaching from senior doctors. Exposure to all Radiology subspecialities. You will be on call on the general surgical rotation. Multiple opportunities to teach medical students and learn basic access skills as well as exposure to cross sectional reporting. There is a weekly 3 hour protected teaching programme held on Tuesday afternoons.
Where the placement is based	Russells Hall Hospital
Supervisor(s) for the placement	Named supervisors are appointed in line with the GMC requirements for Clinical and Educational Supervision and will be allocated at the time of appointment
Main duties of the placement	Regular patient assessment and review on the ward. Teaching and experience on all radiology subspecialities. Access skills.
Typical working pattern in this placement	Full shift with on call commitment, together with an individual Work Schedule being issued.

Employer information	Based in the heart of the Black Country, The Dudley Group NHS Foundation Trust is the main provider of hospital and adult community services to the populations of Dudley, significant parts of the Sandwell borough and smaller, but growing, communities in South Staffordshire and Wyre Forest. The first hospital trust in the area to be awarded coveted Foundation Trust status in 2008, we provide a wide range of medical, surgical and rehabilitation services. Currently the Trust serves a population of around 450,000 people from three hospital sites at Russells Hall Hospital, Guest Outpatient Centre in Dudley and Corbett Outpatient Centre in Stourbridge. The Trust provides the full range of secondary care services and some specialist services for the wider populations of the Black Country and West Midlands region. The Trust also provides specialist adult community based care in patients' homes and in more than 40 centres in the Dudley Metropolitan Borough Council community. Our hospitals are among some of the most technologically advanced in the country, where state-of-the-art equipment and modern, purpose-built buildings combine to create the highest standards of patient care. In a year we... • deliver 4,700 babies • see around 500,000 outpatients • treat almost 100,000 patients in our emergency department • maintain our 13,000 Public Members The hospital has a state of the art Education Centre, Simulation Facility and excellent library facilities. It also has an Undergraduate Teaching Academy taking over 500 medical students from Birmingham University each year.
