

West Midlands North Foundation School

Individual Placement Description – The Dudley Group NHS Foundation Trust

Placement	FY2 - Paediatrics
The department	The paediatric and neonatal clinical unit is based at Russells Hall Hospital and consists of three separate areas: ▪ Neonatal unit ▪ Paediatric ward ▪ Paediatric outpatients The neonatal unit is a service for newborn babies. The paediatric unit treats babies and children up to the age of 16 years old. The multi-disciplinary team works closely with other departments within the Trust and external partners such as Primary Care Trusts, Social Services and GPs to provide a high standard of care for babies, children and young people.
The type of work to expect and learning opportunities	This post is mostly ward based during routine hours. You will be required to attend ward rounds. There is senior cover and a consultant on call system. Trainees are provided to complete the PILS and NLS courses at Induction. You will have the opportunity to participate in clinical audit, to supervise and teach medical students and FY1s, take part in departmental audit, attend ward teaching such as Journal Club. There is a rolling rota for attendance to clinic week, GP referral intake, neonatal and post natal ward cover. There is a weekly 3 hour protected teaching programme on Tuesday afternoons.
Where the placement is based	Russells Hall Hospital
Supervisor(s) for the placement	Named supervisors are appointed in line with the GMC requirements for Clinical and Educational Supervision and will be allocated at the time of appointment
Main duties of the placement	Admitting emergencies from GP referral or A&E, attending abnormal deliveries, rotation onto neonatal unit, post natal, paediatric ward and HDU. Clerking admissions on PAU.
Typical working pattern in this placement	Full shift with on call commitment, together with an individual Work Schedule being issued.

Employer information	Based in the heart of the Black Country, The Dudley Group NHS Foundation Trust is the main provider of hospital and adult community services to the populations of Dudley, significant parts of the Sandwell borough and smaller, but growing, communities in South Staffordshire and Wyre Forest. The first hospital trust in the area to be awarded coveted Foundation Trust status in 2008, we provide a wide range of medical, surgical and rehabilitation services. Currently the Trust serves a population of around 450,000 people from three hospital sites at Russells Hall Hospital, Guest Outpatient Centre in Dudley and Corbett Outpatient Centre in Stourbridge. The Trust provides the full range of secondary care services and some specialist services for the wider populations of the Black Country and West Midlands region. The Trust also provides specialist adult community based care in patients' homes and in more than 40 centres in the Dudley Metropolitan Borough Council community. Our hospitals are among some of the most technologically advanced in the country, where state-of-the-art equipment and modern, purpose-built buildings combine to create the highest standards of patient care. In a year we... • deliver 4,700 babies • see around 500,000 outpatients • treat almost 100,000 patients in our emergency department • maintain our 13,000 Public Members The hospital has a state of the art Education Centre, Simulation Facility and excellent library facilities. It also has an Undergraduate Teaching Academy taking over 500 medical students from Birmingham University each year.
